For some decisions of the Consumer and Commercial Division there is no right to ask for permission or 'leave' to appeal. Refer to [NCAT Guideline 1 – Internal Appeals](#) for further information.

Are you asking for leave? Yes No

If yes, the Appeal Panel can give leave only if it is satisfied that the Appellant may have suffered a substantial miscarriage of justice because:

- i. the decision was not fair and equitable
- ii. the decision was against the weight of evidence
- iii. significant new evidence is now available that was not reasonably available at the time of the hearing.

Provide information on each of those grounds that is applicable to this Appeal. Note: The Tribunal can decide whether to give leave on the papers without having an oral hearing.

i. Decision not fair and equitable

It is not enough simply to say the decision was not fair and equitable. You must describe in detail why the decision was not fair and equitable.

iii. Decision of the Tribunal against the weight of evidence

Dissatisfaction with the Tribunal Member's findings does not mean there has been a substantial miscarriage of justice. You must say why some evidence should have been given more weight than other evidence.

What evidence did you give at the hearing? What documents did you show the Tribunal?

What evidence did the other party give? What documents did the other party show the Tribunal?

What evidence should the Tribunal have given more weight to? Why?

iv. Significant new evidence is now available that was not reasonably available at the time of the hearing

It is not sufficient to state that you did not have the evidence or you were unaware of the evidence at the time of the hearing. You must show that the new evidence could not have been obtained with reasonable diligence at the time of the hearing and that the new evidence is significant and could have made a difference to the decision.

What evidence/documents do you now seek to produce to the Tribunal? If you want to rely on documents or statements you must attach copies to this application form.

Why was this evidence (including documents) not available at the time of the hearing?

7. EXTENSION OF TIME

This appeal must be made within the applicable time period after the decision concerned was made. Refer to [NCAT Guideline 1 – Internal Appeals](#) for further information about time for filing. You are also encouraged to seek independent legal advice regarding your appeal.

The Tribunal has the power to grant an extension of time to lodge the appeal if the Tribunal finds that it is warranted in the circumstances. If an extension is required but is not granted the application may be dismissed because it is out of time.

Do you require an extension of time? Yes No

If yes, explain why the application was not lodged within the time limit, what effect extending or not extending the time would have on you and the respondents, and any other relevant considerations you want the Tribunal to take into account in deciding whether or not to extend the time. *Use separate sheet if needed.*
